“Behind The Scenes” Coordination Package [\$500]:

The plans are made, decorations are set (or at least will be soon!), and now your thoughts are drifting towards pre-wedding fun with friends and family, and getting to marry the love of your life. The last thing you want to worry about the week before your wedding are calling vendors and making sure everyone you have hired are in place and doing their part while you are trying to soak in every moment of your day! Let us take care of the final details with your vendors, and most importantly, let us assist them in getting ready while you and your wedding party focus on getting ready the day of your wedding! When it's time to walk down the aisle, everything will be in its place, and the plan you have dreamt about your whole life will effortlessly be set into motion.
